

I Love Afterschool

Dear CEO I feel safe in afterschool
because they don't open the door for
random people and I come to school to
get smarter. MS grade from Mary B. Minton

I Love Afterschool

Dear CEO Dr. Morgan I feel safe in after so please
don't take afterschool away. I love doing activites like tennis. I
also get a extra meal. After school make my day so much
better and I enjoy it. So please don't take our afterschool.

I Love Afterschool

Dear CEO Dr. Morgan.

I like after-school because the activities are better than any other programs.

After-school programming is a very engaging program. It is welcoming and very international. Because of this, please don't cut funding so we fellow after-school go-ers can enjoy programming.

Sincerely,
6th grader
at Mary B. Park

I Love Afterschool

Dear CEO Dr. Morgan, I am in CMSD schools and want you to support after-school programming again next year because I get help with home work. Things I want to do in after-school are basketball, chess, football, and soccer. And because of this I enjoy after-school.
Sincerely, 6 grade student at Marx B. Martin.

next year and in the future years please
keep funding it

Dear Dr. Morgan

I Love Afterschool

I am a student in the CMSD schools & want you to support after-school programming again next year because I feel safe. I enjoy coming. I like doing different activities. I don't have to be at home alone. I'll get an extra meal. There are adults that care about me. I get help with homework. I get to make new friends. That's why we should keep the afterschool program.

Sincerely, A 7th grader student
at Mary B Martin.
